Objective

A computer engineering graduate and a professional with 2 years of industry experience actively seeking a position as a **SOFTWARE DEVELOPER** with an organization in need of a professional with technological skills, multitasking abilities, and drive to exceed corporate objectives.

Professional Experience

Accenture | **Associate Software Engineer**   *March, 2021 - Present*
- Currently working as a Quality Assurance for one of the major banks overseas which provided great experience and knowledge in **Banking Domain**.
- Performing **Regression**, **Functional** and **Manual testing** on a daily basis.
- Although from a QA team, I have consistently **helped developers to resolve coding errors** by looking at bugs while testing the web-application.
- Regularly closing the JIRA stories assigned to me without any spill over in sprint while testing in **SIT** and **UAT** environment and helped with **Prod** testing before the release of epics.

Terminal Trend | **Front-End Developer Intern**   *January, 2021 – February, 2021*
- Learned **JavaScript** while working on various applications.
- Made a web application called Guess The Number which included the use of HTML, CSS, JavaScript and Binary Search Algorithm.

Skills and Others

Technical Skills:
- **SQL** (4 star on HackerRank), JAVA, MySQL, Maven, JDBC, C++, HTML, CSS, Data Structures and Algorithms

OS and Version Control:
- Linux (CISCO – NDG Certified), Windows, Github

Development Methodologies and Tools:
- Agile/Scrum, Kanban, JIRA, Eclipse

Soft Skills:
- Active Listening, Complex Problem Solving, Critical Thinking, Inductive Reasoning, Information Ordering, Mathematical Reasoning, Selective Attention, Speech Clarity

Others:
- Competitive Programming using JAVA on CodeForces (Link: **manjarly**)
- Data Structures and Algorithms using JAVA on LeetCode (Link: **manjarly**)
- Uploading self solved solution of CodeForces to GitHub *(Link: **Manjarly**)*

Education

L. J. Institute of Engineering and Technology | *Ahmedabad, India*   *2015 - 2019*
(Gujarat Technological University)
- Computer Engineering, Bachelor of Engineering | **8.19 CGPA**

Shree Narayana Guru Vidhyalaya | *Ahmedabad, India*   *2014 - 2015*
- 12th – Science | **67.2%**

Additional Information

Personally working on:
- Competitve programming mainly on CodeForces, Google CodeJam, Google KickStart and ocassionally on HackerEarth and HackerRank.
- Self learning Data Structures and Algorithms primarily on **LeetCode** and ocassionally on **CodeChef**
- YouTube channel where I explain and solve LeetCode questions (Link: **Amit Manjarly**)
- Learning Linux Kernel, MySQL, JDBC and Hibernate by self using online resources.
